What is a Personal Health Budget?

A personal health budget is an amount of NHS money to support your health and wellbeing needs, which is planned and agreed between you and your local NHS team.

What is MySupportMoney (MSM)?

We help get your Personal Health Budget to you as quickly and easily as possible. MSM is registered by the ICO (No. ZA200844) with PHB Customer Helpdesk to answer all of your questions and deal with problems.

What are Our Services?

We will manage your money on your behalf and support you with:

- Finding and managing staff, from £50
- Making all of your payments, through managed account/third party payments
- Staff payroll, from £10
- Specialist PHB insurance, from £61
- Staff training, from £9

MSM personal accounts and prepaid cards

No need to go to the bank to set up a new account, a prepaid card will be auto-loaded with your PHB funds in advance every month; easy card and online payments; real-time tracking of your PHB and your spend.

MSM PHB Helpdesk

MSM's PHB Helpdesk handles all of your customer queries relating to day-to-day running of PHB's.

Why Is MSM so effective?

Our highly qualified team has a deep understanding of financial management and, uniquely, of patient needs - from birth through adult life, older age and palliative care. Each team member is trained at our own registered MySupportCollege (OCN No.58977) regulated by the Department for Education.

"Thanks to MySupportMoney my PHB was set up in a matter of days rather than weeks. I was able to directly pay for my own staff and services, which has changed my life"

Nick, PHB Customer, Croydon - LONDON
